

AMERICAN SOCIETY FOR INFORMATION SCIENCE AND TECHNOLOGY (ASIS&T)  
Oral Histories Collection as part of  
History of ASIS&T and Information Science: Information and Documents  
**RELEASE FORM**

This document contains my understanding and agreement with ASIS&T with respect to my participation in a video recorded interview conducted by EMILY GOODMAN on 14 AUGUST 2012.  
I have read the transcript supplied by ASIS&T.

1. The video record, corrected transcript, additional related materials will be maintained by ASIS&T and made available in accordance with general policies for research and other scholarly purposes.
2. I hereby grant to ASIS&T the right to use and make available the above mentioned materials under a Creative Commons license Attribution-Non Commercial, Share Alike 3.0 Unported.
3. I shall retain the literary rights and the copyright on the above mentioned materials.
4. I wish to place the conditions I have checked below upon the use of this interview. I understand that ASIS&T will enforce my wishes until the time of my death when any restriction will be removed.
  - a)  No restriction for access and use
  - b)  Semi-restricted use (My permission required to reproduce)

This constitute my entire and complete understanding
