

Association for Information Science and Technology (ASIST) Oral History Project of the 751 h  
Anniversary Task Force

**ORAL HISTORY RIGHTS AND PERMISSION FORM**

Interviewee Name: Debora Shaw

Interviewee Mailing Address, phone and e-mail: 2905 N. Bankers Dr.

Bloomington IN 47408 812-331-1322 shawde@indiana.edu

I understand that all rights to this interview, the sound or video recording, and the transcripts from it belong to me. I understand that I may choose, through this form or attachments to it or in future signed statements by me or my heirs, to either close or release for publication (print or Web based) some or all of the information contained in this interview and in any accompanying photographs, personal papers, etc. that I decide to include with it. My participation in this project is entirely voluntary.

I understand that the some or all of the open portions of this interview (including the sound or video recording and the written transcript), a brief resume, and any additional photographs or personal papers that I decide to include will be made available to all interested researchers through a Web portal (or successor technology) developed by ASIST available and open to the general public. The paper-based copies of the transcript, the audio/video files of the interview and any additional papers I decide to include will be deposited in the ASIST archives at the University of Michigan Library where they will also be open to all researchers on site and, at the discretion of the University of Michigan Library, to the general public via the Web or successor technology.

I do: \_\_\_\_\_ or do not  require that researchers desiring to quote for publication from the interview records contact me for permission to quote or use. Requests for permission will be sent via the email provided above and will be deemed granted if I do not respond with thirty (30) days. I understand it is my responsibility to inform The University of Michigan Library of any change in my contact information.

The requirement to obtain my permission for quotation from the interview ends: \_\_\_\_\_

As of my dated signature below, the following parts of the interview will be closed for publication, research or other public uses (please specify page number(s) in the written transcript) and the corresponding audio/video portions of the files (use an attached sheet if necessary):

Any additional restrictions are detailed on an attached sheet signed by me.

These requirements end on (choose one): (1) my death or (2) this date:

Signature: debora shaw Date: July 6, 2017
